QISAKOOK

Shenzhen Zehongtong Technology Co., Ltd.

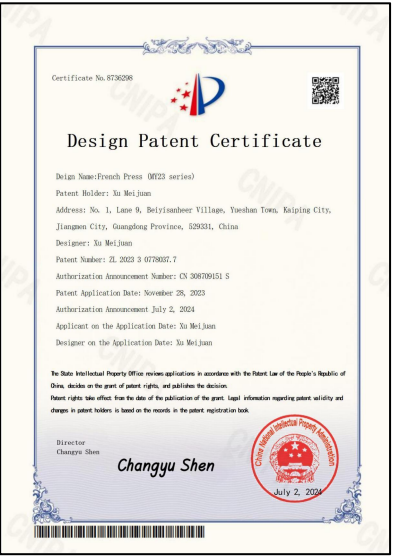

With over two decades of experience in the coffee industry, QISAKOOK has built a reputation for professionalism and reliability through its steadfast dedication to quality and masterful craftsmanship. At the heart of the brand is a simple yet powerful mission: to create exceptional coffee equipment that elevates the brewing experience for every consumer.

As the company has grown, so has its product range. Today, QISAKOOK offers not only coffee makers but also teapots and storage containers, forming a diverse and thoughtfully designed product portfolio. Supported by strong R&D and innovative design capabilities, the company holds multiple patents—particularly in French press and teapot designs—showcasing its commitment to originality and technical excellence.

Thanks to its consistent product quality and trusted reputation, QISAKOOK has gained the loyalty of supermarket chains and customers around the world. Its products are now available in major supermarkets across the country and are exported to international markets including North America,Europe and Southeast Asia,ect., bringing the art and precision of QISAKOOK to a global audience.
